

MAPLETON VOLUNTEER FIRE DEPARTMENT

2015 ANNUAL FUND DRIVE APPEAL

We need your support so we are able to continue to serve our community
The annual Fund Drive is one of the primary means of funding your local, all
VOLUNTEER fire department. It is also a primary way for us to get very important information
about you and your household or business.

MAPLETON F.D. will only appeal to residents, property owners and businesses in our coverage area for our annual Fund Drive. If you received this letter, MAPLETON F.D. is the primary emergency response agency for your home, seasonal home/camp or business.

Do you want to help but not sure how?

Making a contribution to our annual fund drive is a great help, and the financial support goes along way in helping to keep our doors open. However there are other things we are in need of. One of your fire department's biggest needs right now is **people**. We are in dire need of people who can help with fundraising projects, even if selling tickets for our raffles. Another need is people that want to become emergency responders and drivers. MFD will provide for the training.

If you want more information please contact us.
