FUND DRIVE 2021

*The Mapleton Fire Department is an ALL VOLUNTEER organization, dedicated to serving residences and businesses in Brady, Cass & Union Townships as well as Mapleton Borough. We are proud to have been able to serve our communities over the years and 2021 marks the **100th Anniversary** of our department.*

MAPLETON F.D. will only appeal to residents, property owners and businesses in our coverage area for our annual Fund Drive. *If you received this letter, MAPLETON F.D. is the primary emergency response agency for your home, seasonal home/camp or business.*

Each year we respond to over 200 emergency incidents. This is in addition to various other events and community wide activities. Our small group of volunteers not only give their time to respond to calls but also countless hours are given to attend training and to raise money to help operate YOUR LOCAL fire department. We are proud to say our volunteers meet our communities' needs with dedication and professionalism.

This past year we have been able to begin the process of upgrading some of our equipment. We have purchased a Dodge Ram 2500 truck to be used as our new brush unit. Along with this we still have other equipment to upgrade/replace as well as maintenance and upgrades to the station.

We are asking for your help during our annual fund drive so we are able to continue serving our community.

Please use the enclosed return envelope to send your contribution. Make checks/money orders payable to Mapleton Fire Department. Also please fill out and return the information card so we can update your contact and specific information.

If you prefer to process your contribution on-line you can do so securely on our web-site at www.mapletonfire.com or find us on Facebook at Mapleton (PA) Fire Department.

We THANK YOU for your time and support

If you have any questions or would like more information, please do not hesitate to contact us.

*On behalf of members & officers;
Hunter Corbin; President*

Michael Corbin; Chief
