2022 FUND DRIVE

The Mapleton Vol. Fire Department is an ALL VOLUNTEER organization, dedicated to serving residences and businesses in Brady, Cass & Union Townships and Mapleton Borough. We are proud to have been able to serve our communities for the past 101 years
MAPLETON F.D. will only appeal to residents, property owners and businesses in our coverage area for our annual Fund Drive. *If you received this letter, MAPLETON F.D. is the primary emergency response agency for your home, seasonal home/camp or business.*

Each year we respond to over 200 emergency incidents. This is in addition to various other events and community wide activities. Our small group of volunteers not only give their time to respond to calls but also countless hours are given to attend training and to raise money to help operate YOUR LOCAL fire department.

This past year has been a struggle for your local fire department. With less active members and rising costs, it is a challenge for the few volunteers to do it all. We continue to serve as best we can, and this year's fund drive will be even more important as funding becomes limited due to several factors. We are small in numbers, but we are committed to serving our community in time of need.

Please use the enclosed return envelope to send your contribution. Make checks/money orders payable to Mapleton Fire Department. Also please fill out and return the information card so we can update your contact and specific information.

If you prefer to process your contribution on-line you can do so securely on our website at www.mapletonfire.com or find us on Facebook at Mapleton (PA) Fire Department.

We THANK YOU for your time and support

If you have any questions or would like more information, please do not hesitate to contact us.
